# Improve Your Cattle Now

Now is the time to improve your herd whether it be Shorthorns or other cattle and to prepare to get your breeding operations on a more profitable basis. The addition of a few better females, the use of a better bull and one that is bred along the best of bloodlines will accomplish this result. The Eighteenth Annual Spring Show and Sale of Shorthorns to be held at South Omaha, Nebraska, Thursday, March 23, 1933, furnishes the opportunity.

This sale is the only Shorthorn sale scheduled to be held in Nebraska this spring. No breeder in the State is holding a sale exclusively

In breeding as well as in individuality, this is the best lot of cattle that has ever been sold at a consignment sale in this territory. The best cattle are always the cheapest for breeding purposes.

Come and see the show — — — Stay to buy the cattle

The show will start promptly at 10:00 o'clock A. M. on Thursday, March 23rd. The sale will start promptly at 1:00 P. M. the same day.
